

NorthStar Elastomers

Norst® Polymers & Tirecycle™ Rubbers

Employment Opportunity

Job: Production worker - spot for a morning person, who likes afternoons free.
Working in manufacturing plant in Fridley. Good work ethic.
Permanent job - work M-F, 7:30 am - 12:00 noon.

Full time position: 7:30am - 3:00 pm (may need to extend occasional hr or so)

Actual work: Sorting & prepping materials for mfg, grinding rubber materials for mixing, loading mixers, unloading mixers, loading into boxes and barrels, stacking on pallets, organizing inventory of supplies & materials, plant & equipment cleanup & maintenance. Hard work (lot of bending/lifting) is generally 1-2 hrs /day. Balance is lighter on the body, but still takes some limberness, understanding & cooperation with staff & plant. YES, senior plant mgmt, even in their 60's, does such work.

Note: some chemical or polymer testing experience could be helpful - not required.

Pay Rate: \$20/hr to start. Good work relationship, increase to \$25/hr after 30 days.

Holiday pay - 6 days per year - for those Holidays when plant shuts down.

Vacation pay: 1 week earned after each 6 mo's work. Coordinate use with plant mgr.

NSE: Veteran owned manufacturer of rubber adhesives. Small company, we work closely together. Open to military veterans, young or middle-aged, MN natives or more recent arrivals. Prefer friendly, good working employees, that want to stay & help us grow. You will have opportunity to grow with us, take on more responsibility & grow your salary & benefits.

NSE is located at 4500 Main Street NE in Fridley. We share a fence with General Mill's huge oatmeal plant, and are almost surrounded by Central Roofing. Bus service runs on University Ave. Main St is 3 blocks W of University, from the stoplights at 44th St.
